

To begin our Show and Tell in grade one, we are going to have "Secret Letter Detectives". Every student is given a letter of the alphabet and is to pick an item beginning with this letter to be their show and tell. Because some letters will be more difficult than others to find an object, you will notice that I am giving some of you a choice of 2 letters (e. g. on Sept. 19 the letters are either I or J). The object has to be in a small bag or box, because it's a secret!!

At home, help your child write 3 clues about the object to help their classmates be "Secret Letter Detectives" and guess what the item is. Once everyone knows what is in the bag, then your child can tell us some interesting information.
